

TULARE COUNTY HEALTH & HUMAN SERVICES AGENCY

Donna Ortiz
Agency Director

Karen M. Elliott, MBA • Director • Public Health Branch

On behalf of Tulare County Health and Human Services Agency, Public Health Branch we want to thank you for your interest in serving on the **Community Health Care Board**. As a member of the committee/coalition, you will bring a much-needed perspective to the work of the **Tulare County Health Care Centers**. Your participation will ensure our services and/or initiatives are current and relevant to the community we serve.

Community Health Care Board has a clear goal of **providing for the patient's health and well-being as our commitment**. Each meeting will offer opportunities for engagement:

1. Presentations on initiatives within the Public Health Branch
2. Updates on strategic planning initiatives
3. Provide feedback and/or approval on policies.
4. Receive data/information relative to the work/program.
5. Opportunities to work with other community members and organizations.

As a member of the committee/coalition, you will serve a minimum **2 year term**. There are typically **12** meetings per year which run **monthly** and will be held **in person**. It is very important for members to be present at each meeting so that necessary approval and guidance can be sought from the members to move forward with the initiatives.

Your point of contact if you are unable to attend will be **Jessica Vasquez** and they can be reached at **tswartha@tularecounty.ca.gov**. Please do not hesitate to contact us if you have questions about our program, committee, or your responsibilities as a member.

Respectfully,

Tulare County Public Health
